

Douglass Community

[Douglass Community](#) is a Community for: Peace, Love and Purpose. The Douglass Community service includes “FreedomTrain” our Douglass Community Economics and Governance service.

A foundation of intentional Beloved Community aligned policies ensures that the products and technologies we build are in service too: Life, Earth and Communities rather than dominating, replacing, and exploiting them.

The Douglass Community Platform brings a systemic advantage to those who work with it

- Participate in Douglass Community Governance
- Participate in Douglass Community Actions
- Receive Douglass Community Grants
- Create and Participate with Douglass Organizations
